What if youâ€™d been given a second chance to catch your sisterâ€™s killerâ€™ would you take it? And if you did, would a lifetime behind bars be justice enough, or would you need to see him dead?

Meet Sloane

Private Investigator Sloane Monroe has solved every case thatâ€™s come across her desk with the exception of oneâ€™the brutal murder of her sister Gabrielle.

Three years have passed without a trace of the killer until today, when a young womanâ€™s body is discovered on a patch of dirt in front of the local supermarket at daybreak. Now Sloane is faced with the most difficult challenge of her lifeâ€™finding a man whoâ€™s a master at concealing his identity before he captures his next victim and sends them to eternal rest.

Meet Sam

Park City, Utah was a peaceful place until Sinnerman came to town. Enter the mind of Sam Reids, a serial killer who slashes his trademark letter S into the wrist of his female victims before he discards their body in the same place he found them.

Who is he, and why does he prey on innocent women?
