An alternate cover edition can be found here.

Being confronted on the beach by a sexy stranger wasn't part of Natalie Conner's plans for a peaceful morning taking photos. And why on earth would he think she's taking pictures of him, anyway? Who is he? One thing's for sure, he's hot, and incredibly romantic, feeding Natalie's wounded soul.

Luke Williams just wants the world to give him a break, so seeing yet another camera aimed at his face has him ready to pounce on the beauty behind the lens. When he finds out she has no idea who he is, he's intrigued and more than a little tempted by her. Natalie has a body made for sex, a sassy mouth and Luke can't get enough of her, but he's not ready to tell her who he really his.

Natalie is a no nonsense girl who doesn't do well with lies and secrets. What will happen to this new relationship when she discovers what Luke's hiding?
